Company Profile

The new star company was established by **Mr. Atef Abdullah** in Cairo in 2004 and it was specialized in HVAC supplies (as a sub-dealer of Miraco carrier) and as a one of leading HVAC construction dynamic professional MEP construction companies.

In 2015 and with partnership of **Eng. Mohammed Abdullah**, the operation expanded to include HVAC, Electrical, firefighting and plumbing (MEP) construction projects, the company has grown from the simple beginning and with support of our selected clientele, we have grown to a moder.

Our Approach

We as a company, pride ourselves in the utilization of information technology to ensure that we adhere to and fulfill the demands set in the current building/ construction/development industry where time is money, accurate feasibility studies, bill of quantities and final accounts, all staff members working on a network linked to the corporate server, which ensure all data captured is immediate, accurate and with our internal controls which tested over time, ensures accurate financial control at all times.

Vision

Our Vision is to be the market leader in MEP Contracting and related services: We aim to earn our customers' enthusiasm through continuous improvement driven by the commitment of the top management, integrity, teamwork, and innovation of our people. Our vision serves as the framework and roadmap that guide every aspect of our business by describing what we need to accomplish in order to continue achieving sustainable quality growth.

Mission

New Star MEP is committed to delivering high-quality, cost-effective projects by employing and supporting motivated, flexible, and focused individuals. We value the importance of our relationships and will continue to remain fair and true in our dealings with all employees, clients, subcontractors, and partners. We will strive to implement long-term relationships with our clients based on quality, health and safety, timely service and an anticipation of their needs. To help fulfill this mission, we will treat all employees fairly and involve them in the business excellence and quality improvement process to assure responsiveness and effective project execution.

Services

Heating, Ventilation and Air Conditioning Systems (HVAC) Solutions

Chilled water solution and all other regular HVAC Solutions

New star company is considered as one of the leading companies in HVAC construction projects, as it has the ability to offer a complete solutions and studies for various HVAC systems (Chilled water, VRV, Split units, ...etc.) starting from systems design, cost study, Value engineering, shop drawings, construction and all related technical issues which aim to deliver the required quality and performance to our clients with the lowest cost and shortest time.

Our HVAC Services

- 1- Design, cost study and construction of all Chilled water system elements (Chilled water substation, pipes network, Machines installation...etc.).
- 2- Construction of all other regular HVAC Systems (VRF, Split Units.... etc.).

Air Condition Equipment's Trading.

Supply, installation and maintenance of DX Central Units and Split Units

New star company is one of Miraco-Carrier sub-Dealers since year 2004, and since the beginning we stick to deliver the best quality to our clients through Our highly skilled technicians as we specialized in the installation of all air conditioning units for a various scales and activities with the best quality, shortest time and lowest cost.
